

# Instructions for preparation and submission of final manuscript (Oral Papers):

**Step 1: Add all the authors:** Please ensure that all the authors are included in your EDAS account before submission of final manuscript.

**Step 2: Submission of the copyright form:** Before uploading your final camera-ready manuscript, use the copyright submission (©) on the EDAS and upload the scanned copyright form. The copyright form is available here [Download copyright form](#). Please take the printout of the form, fill in the details (Complete list of Authors, Paper Title) and sign (one of the authors) wherever it is required and scan it and convert it into pdf. Kindly upload the scanned copyright form through EDAS account before submitting the camera-ready manuscript.

IEEE Publication Title: 2019 TEQIP III Sponsored International Conference on Microwave Integrated Circuits, Photonics and Wireless Networks (IMICPW)

**Step 3: Preparation of camera-ready paper:** Camera-ready manuscript should not exceed 5 pages in length (*NO BIOGRAPHY AT THE END*), and follow the **IEEE template** for preparing the final manuscript.

- Authors are strongly recommended to incorporate the reviewer suggestions for publishing on IEEE Xplore.
- Insert the Copyright Notice in the final manuscript: All papers should contain the appropriate copyright clearance code notice at the bottom of the first page, according to the guidelines set forth in the Cataloging/Copyright Instructions for an IEEE Conference Proceedings.

For papers in which all authors are employed by the US government, the copyright notice is:  
**U.S. Government work not protected by U.S. copyright**

For papers in which all authors are employed by a Crown government (UK, Canada, and Australia), the copyright notice is: **978-1-7281-1034-9/19/\$31.00 ©2019 Crown**
